Old Business:

Quiet spindle not yet ordered

Laser cutter computer is running. Brian brought a book for the Corel Draw.

Mindstorm kits are still being assembled by Josh and Matthew

New Business:

Matthew Anderson was present to interface with us. Wants to explore mentorship opportunities. Mentioned the YES initiative, Youth Empowerment for Success. Anitra, director of city engagement, is the contact for this anitra.henderson@cityofmobile.org. There are some community center spaces we could use, such as Texas street park.

Discussion on moving versus staying in downtown. There are lots of community places to have workshops. Recommendations were made to get youth involved with workshops and classes.

Need better and more marketing.

Rachel proposes we have 1 class or workshop per month and we rotate members as instructors.

Brian mentioned Mobile county tax information. We need to have all information on equipment donated and on loan to the space. Name and contact info needed for each owner or donator.

Item Wish List:

On shared drive

Events:

Instruction classes assigned per month by Rachel. List will be provided when complete.

Drone racing event next weekend

Pi day at Mobile Public Library

Artwalk Feb 10th

Closing:

Next Meeting: Feb 17th. Bylaws will be voted in on this date.
